

# Personal Reading Prep Guide

A short guide for choosing a reading style, preparing reflection questions, and keeping entertainment expectations clear.

## Checklist

- Treat readings as entertainment and reflection.
- Choose the format: astrology, numerology, moon reading, or insight report.
- Write two or three reflection questions before buying.
- Compare personalization, delivery method, and price.
- Avoid offers that guarantee love, wealth, health, or life outcomes.
- Do not use readings for medical, legal, financial, or safety decisions.
- Check refund terms and recurring billing language.
- Keep the experience optional and curiosity-driven.

## What to compare before buying

1. Reading style and personalization
2. Delivery method
3. Expectation setting
4. Billing and refund clarity
